

COOKING TIPS

To prevent butter from getting too brown in the pan, add a little lemon juice.

COOKING TIPS

After handling garlic,
rub your fingers over
stainless steel, like
your kitchen sink, to
remove the odor.

COOKING TIPS

Didn't find shallots? Replace with a combination of onions and garlic.

COOKING TIPS

Set up your workspace by collecting clean tools, bowls, and utensils. And make sure you have a trash can close at hand.

COOKING TIPS

Use 2 skewers instead of 1 when grilling or broiling to prevent food from turning around.
